Originally from Merseyside in North West England, Suzanne is a Director of Photography with over 20 years experience in the industry. Suzanne started out on documentaries, shooting quickly and working with natural light, before moving on to narrative work and larger studio shoots. Over the course of her career she has developed a striking and detail-focused lighting style through her extensive work on scripted narrative productions, promos and publicity, with a keen emphasis on the power of thorough preparation.

This year, Suzanne's short film **Baby Steps** had it's UK premier at Manchester Film Festival. Suzanne was also recently Longlisted for Cinematography at re:Present Primetime x Picturehouse Central Agent Festival for her work on short film **Let It Flow**, and last year was nominated for Best Cinematography for short film **BLOCK** at English Riviera Film Festival. This summer, Suzanne has shot two short film projects with Director Zac McKeown for LA Productions in Liverpool, a publicity shoot for Disney drama Only Murders In the Building, featuring Steve Martin, Martin Short and Selena Gomez, and a VT interview with Sir Paul McCartney and Lauren Lavern for the BBC. She is a Friend of the Association of Camera Operators and a member of BAFTA Connect.
